

Teds Bar & Grill is proud to present the ***Ted's Bar & Grill 19th Annual Golf Outing*** on Friday, ***May 24, 2019 at 11am at Manada Golf Club***. This year's event builds on our 18-year legacy of embracing and supporting the community. Ted's Bar & Grill in partnership with HACC, Central Pennsylvania's Community College, has created a new Endowment & Scholarship Fund. Each year a scholarship will be awarded to a deserving Central Dauphin High School graduate to help support their academic journey at HACC. Funds raised through the event will also help sustain the endowment ensuring scholarships will be awarded for years to come.

Investing in students through scholarships...

Every year, students with limited means make a difficult decision. Should they take on significant debt or not pursue their dreams? Scholarships provide a path for students to reach for the stars.

We at Ted's are passionate about making our community a better place. Whether it's fundraising for the Four Diamonds Fund, The Kidney Foundation or local patrons in need, for almost 20 years we've generously given back to the community. We're also proud of our longstanding commitment to supporting Central Dauphin academics and athletics.

Today, we recognize that college educates the next generation of workers and citizens of the region. And by investing in students we can help create a robust, vibrant future for Central Pennsylvania.

Join us in expanding access to education and opportunities for students in our region. Opportunities that lead to better jobs and a brighter future.
